

ONE-STOP PD SHOP

- **PERSONAL USE:** Set up a ONE-STOP PD SHOP on your desktop, then download the 10 PD product files from the mini-CD into that folder to enable instant access and use. Send an email with the 10 PD product files to your friends, so that they can do the same.
- **CHAPTER USE:** Set up a ONE-STOP PD SHOP hyperlink on the front page of your chapter website. When clicked, that hyperlink should display a second page with hyperlinks for each of the 10 PD product files.
- **EXECUTIVE USE:** Give a ONE-STOP PD SHOP mini-CD to your executives and HR managers to showcase some of the PD products the NMA offers your organization.
- **COMPANY USE:** If your organization has a “virtual” library (like Boeing and Lockheed Martin), consider asking your librarian to include a brief description of and hyperlink to the ONE-STOP PD SHOP in their resource catalog to make NMA PD products available to all employees.
- **LEARNING USE:** Take the LiveOnline class on ONE-STOP PD SHOP, where Karen Tobias will walk you through all the associated features, benefits and operations.
- **TRAINING USE:** Adapt the LiveOnline course material into a training session for your members and other interested employees.
