2018 NMA Annual Conference!
Join us September 12-15 in San Antonio!!
What YOU can gain from attending!

Make new connections, spark new ideas for your career development, get energized to lead your chapter to be an award-winning one, learn industry trends, renew your excitement about the work you do, rekindle the passion for meeting colleagues face to face, and just learn and have some fun. Think of it as investing in your own health and well being. There is a LOT to be said for getting away from work and kicking back with other business professionals.

- **Wednesday, September 12**
  Evening Welcome Mixer for all attendees

- **Thursday, September 13**
  Opening Keynote
  Educational Session
  2017 & 2018 Member of the Year Luncheon
  *Chapter Leader Training Part 1
  *Chapter Leader Training Part 2
  Open evening to enjoy the beautiful San Antonio Riverwalk

- **Friday, September 14**
  2017 & 2018 Hall of Fame Breakfast
  Educational Session
  2017 & 2018 Recognition Luncheon
  *Chapter Leader Training Part 3
  Educational Session
  Free time for all attendees to enjoy the area

- **Saturday, September 15**
  NMA National Speech Contest
  Educational Session
  2017 & 2018 Executive of the Year Banquet (dancing afterward)

2018 NMA Annual Conference

2018 Educational Workshops

When Hurricane Irma forced the cancellation of our 2017 Annual Conference, we were saddened that our guests would miss out on the four Educational Sessions that were scheduled. When planning began for 2018, we opted to contact last year’s presenters and see if any of them could possibly accommodate us THIS year. Well, guess what? All four of them jumped at the opportunity to come to San Antonio and “give it another shot”. We are thrilled to be working with them again.

Keynoter “Semi” Bird will also present an educational session on “Leading with Personal & Professional Intelligence”. As an Army Special Forces Green Beret, he knows a little something about leadership. He received two of our nation’s highest awards for heroism and valor on the battlefield – the Bronze Star for Valor and the Purple Heart, for wounds received in combat.

Dr. Deborah Bright will share her latest research on the subjects of feedback and criticism ... and tease us with what she has on the drawing board, next. Shari Storm rose to fame with her book, *Motherhood is the New MBA: Using Your Parenting Skills to be a Better Boss*. She's going to speak to Strategic Leadership as an essential tool for building organizational culture.

Our final speaker, from Carnegie Mellon University, Brenda Bakker Harger, will lead attendees through “Improvisational Leadership“ – a fun and interactive workshop on how to think on your feet and save your career at the same time!

NMA Leadership Speech Contest

NMA proudly presents its 30th National Leadership Speech Contest as one of the nation’s leading competitions among high school age students. Its primary purpose is to promote better understanding of leadership and reinforce the importance of leadership development all across the globe. The top prize is $4,000 cash!

The contest involves young men and women in grades nine through twelve. They research, write, and then deliver a speech based upon their interpretation of a variety of leadership topics. Topics such as leadership in the world, its application to the free enterprise system, and what leadership means to them personally are some examples of speech themes. In short, the students are limited only by their imagination and creativity.

Students report to us that participation in this contest increases their awareness and understanding of leadership competencies. It forces them to look at whether leaders are born...or made...or both! Their research teaches them about people and principles. The contest also provides an incentive for the development of communication skills – vital to those preparing to enter the workforce or continue their education. In communities across the country, the NMA Contest has become recognized as a unique and innovative program supporting our young people.

The financial rewards, at all levels of the competition, contribute to students' furthering their education. NMA members take enormous pride in their program and herald the contest as one of NMA’s greatest contributions to understanding and promoting leadership development to a whole new generation.
Chapter Leader Training Workshops

Your Annual Conference Planning Team has been hard at work, expanding our educational programming for San Antonio. This year, because of the slightly expanded time frame, NMA will be offering Chapter Leader Training via three separate workshops on Thursday and Friday afternoons. These come on the heels of a successful virtual CLT (Chapter Leader Training) Webinar Series this spring. NMA had 223 webinar connections over the course of the eleven weekly series. Many of those who logged on, did so in “groups”, some as Lunch ‘n Learns in their chapters. Those are all now archived on the NMA website. Newly elected chapter leaders can access the 30-45 minute webinars 24/7 at nma1.org.

The Conference Workshops will expand on those webinars and provide a critical component of the eleven topics – face-to-face, interactive sharing of lessons learned and best practices. In a “sneak peek” at what is tentatively planned is Session One: Officer-specific training, “by position” and Session Two: Discussion Forums by Topic (including how to garner executive management support, how to partner with Human Resources & Training, how to sustain and grow your membership, and how to design meaningful, value-added community service programs). For Session Three, we anticipate an open forum with your national NMA leadership team where anything and everything is fair game for discussion, all aimed at getting ALL of your questions answered, coupled with getting your feedback on how NMA can support you and provide more services and benefits that you desire.

This is a unique opportunity to come together as a true community of leaders and learn from each other. As the expression goes, “None of us is as smart as ALL of us”! We know you will enjoy and take home valuable information from our CLT time together.
2018 NMA Annual Conference

Shorey Silent Auction

The Silent Auction is a great event, held in conjunction with the Annual Conference and designed to raise funds to help NMA continue to hold the Leadership Speech Contest. This will be the 17th year for the Auction and those who have previously participated know that this is an exciting and entertaining event! For three days, attendees mingle and network with others while checking out the various items available for bid – strategically targeting those "must win" items over the course of the conference so that when that final bell rings, they win (and the Speech Contest wins!). In 2016, thanks to the generosity of both our donors and our bidders the Auction proceeds totaled over $4,000 for the Speech Contest. With your participation this year, we would love to substantially increase the contribution the Auction makes!

NMA’s first Silent Auction was conducted by a group of NMA volunteers at our 2002 Annual Conference held in San Francisco, and brought the Speech Contest $5,235.50!! The auction is dedicated to the memory of two very special people, Dot and Forrest Shorey, who were stalwart volunteers of the International Management Council (IMC), an organization that subsequently merged with NMA in 2004. Dot, who had a vision that would strengthen the purpose and programs of IMC by raising funds (and having a little fun along the way!), championed the original IMC Silent Auction in 1992 in honor of her husband, Forrest. Forrest served the IMC in many capacities, most notably as National President of IMC. Supporting Forrest efforts to champion outstanding programs involving the development of youth, Dot was a visionary and an energetic team player — serving in a broad range of positions in her 35 years as an IMC member. She was a remarkable person and a dear friend to all who knew her — and attended 22 consecutive IMC National Conferences.

The 2018 NMA Shorey Silent Auction will continue to carry on the original intent initiated by Dot with all the proceeds used to support activities involving youth... specifically the NMA Speech Contest!

Registration Pricing Information

If you register and pay for your registration by August 20, you will automatically receive a $25 early bird discount that will take your registration down to $870.

You also have another opportunity to lower your registration even more by using your Chapter Rewards to receive 10% off the early bird price of $870... an additional $87 in savings!

In addition, your chapter may have deferred conference fees that they paid in 2017 in lieu of a refund for those registrations. If so, you may check with NMA before your register to see how much that amount was and use it for part of your 2018 registration fees.

Just by using your early bird discount and 10% chapter rewards (if you have chapter rewards available) this could take your total registration fee down to $783 before applying any 2017 prepaid registration fees!

To register, go to:
https://nma1.org/2018-conference-registration/

SEPTEMBER 12-15

April - July 2018 Issue
2018 marks **30 YEARS for the NMA Speech Contest!**
Help us celebrate by becoming a Leadership Speech Contest Donor!

**Support Our Most Popular Youth Program**
You may now support the NMA Speech Contest at one of several different levels! Become a donor and receive a beautifully embossed certificate, framed in a goldtone-trimmed plaque, prepared especially for you! In addition, you will be recognized in NMA Breaktime as well as during our Annual Conference National Speech Contest Finals! Individual Members and chapters earn points on the monthly CAR1 report too!

You, too, may receive one of these beautiful certificates! Select Your Donation Level Today!

- **Bronze Level** - $25 Donation
- **Silver Level** - $50 Donation
- **Gold Level** - $100 Donation
- **Platinum Level** - $250 Donation
- **Diamond Level** - $500 Donation

For additional information or to make a donation, contact an NMA staff member by calling 937-294-0421 or simply go to [https://nma1.org/become-a-speech-contest-donor/](https://nma1.org/become-a-speech-contest-donor/) to pay by credit card; you may also send a check made payable to: NMA Leadership Speech Contest and mail it to the address below.

**Remember:** Donations to the NMA Educational Foundation, Inc., NMA Speech Contest (a 501(c)(3) organization) are tax deductible. Your chapter will also receive 5 CAR1 points for each $75 contribution received by a chapter member!

NMA...THE Leadership Development Organization
2201 Arbor Boulevard
Dayton, OH 45439
937/294-0421

**THANK YOU—2018 SPEECH CONTEST DONOR**

NMA would like to sincerely thank the Lockheed Martin Leadership Association, #531, Marietta, GA for their generous PLATINUM LEVEL donation to our annual Leadership Speech Contest for high school students!
In addition, Lockheed Martin Space received the Blue Diamond Award Plaque for long term SHFB support. The 2017 SHFB Celebration attracted over 400 people in attendance to recognize the many individuals and organizations all working to solve the hunger crisis in our communities. Congratulations to all our volunteers who collected food and held fund-raising events throughout 2017. We thank you!

This year our Lockheed Martin Space employees contributed:

- Total dollars raised: $44,042
- Total pounds of food collected: 1,246

The 2017 Holiday Drive resulted in 8,198 meals

- Total dollars raised: $3,580
- Total pounds of food collected: 1,246

Since our partnership began in 1979

- Total dollars raised: $1,836,790
- Total pounds of food collected: 85,346

Lockheed Martin Space received two major awards at the 2017 Second Harvest Food Bank of Santa Clara and San Mateo Counties “Make Hunger History Awards” Celebration on May 3rd at the San Jose, California Cypress Center. First was a “Five Million Meals Club” Award that recognizes an organization accumulating this equivalent in providing food for needy recipients. SHFB recognizes this milestone in one million meal increments.

Second was the “Hunger Hero” Award for an organization or individual who demonstrates an exceptional level of commitment to hunger relief. Several different Lockheed Martin Space organizations contributed to this recognition including the LMLA Bay Area Chapter that conducted several large food drives and fund-raising events throughout the year, the Finance Leadership Development Program, Employee Connection, and different program and workplace collections that supported SHFB.
Each year, every professional organization should initiate a high priority goal of focusing on Engagement, Recruitment and Retention. One of the most common problems for chapters these days is keeping members engaged. But in order to better understand member engagement we must accept the fact that our members will be the first to tell you that they have a small fraction of free time for themselves and that they would only consider giving that time up if their return upon surrendering that time was of significant value. That statement alone makes the job of member engagement much more challenging for chapter leaders today. We will need to develop better ways to not only accept that challenge but achieve success. One of the best options, is one my boss use to share with his work group. If you have an issue, a problem or just a concern bring it on. But, remember, for every issue, problem or concern you bring, it must be accompanied with a solution. If not, be prepared to be held accountable and/or committed to finding a solution.

In volunteer organizations this might seem a bit awkward for chapter leaders in the beginning, but the overall impact can be a life changing experience for our members who have never had the opportunity to interact face-to-face with other leaders within your organization. What a great opportunity for a genuine learning experience for our members! After all isn’t that what we are all about?

The other essential part of this process that goes hand in hand with engagement is recruitment and retention which are both vital parts of our entire membership drive campaign. You have heard the statement made many times, that when we conduct membership drives we must also focus on keeping the back door closed during a membership drive. It has a very high potential to defeat the whole purpose of a successful membership campaign. Membership committees need a key strategy in place to mainly focus on our newest members; we need to get them involved throughout that first year of membership. Research tells us the it is much harder to recruit a new member than it is to reinstate a former member. But, we must never lose hope or sight of our former members. The majority of our members who leave our organizations never share the reasons why they leave and chapters never seek that information. I am a true believer in exit interviews. There is much to be gained! We may have the opportunity to right a wrong or more importantly, reflect on the reason. Many times it is just pure and simple a personal reason but that in itself is good feedback. Again, we must never ever lose hope or sight of our former members. In the near future we will have the opportunity to reach out to those former members and be totally surprised to discover that this one little notion made all the difference in the world from permanently losing a former member to reinstating that member.

A chapter’s Membership Committee should have a plan that includes monitoring and focusing on those members who drop their membership without reason. Gather the reasons and determine if the reason should be shared up the organization or evaluated. If the reason is deserving to be shared up the organization it is also deserving of feedback to the former member. One or two former members can have ripple effects to four or six more.

All organizations must remember that if they want to survive, their organization must be flexible. They should all have strategic planning committees whose primary objective is to constantly evaluate the operations of the organization to ensure that they do not become static and are always looking to having effective engagement, recruiting, and retention initiatives in place.
Member Spotlight
Amber Haas, “The Path to NMA”
Wendell M Pichon, CM / 2005 NMA Chairman of the Board

It has been a while since we did a spotlight article and feature one of our very own Associate Directors. I recall on September 22, 2017, when I sent out a few letters with hopes of recruiting new Associate Directors, Amber Haas was the very first to respond, accepting that challenge. Amber has been doing some really outstanding work for her chapter and NMA, so I asked if she would mind sharing her bio so I could do a spotlight article on her. There is much more about Amber that really makes her really special. After reading her bio I have no doubt the Websters missed out because Amber Haas' name should appear when you look up words like integrity, dedicated, driven, leadership, vibrant, inspirational, and motivated. I could go on and on but it would be better if I just share a few lines from her bio because they truly tell the story of this remarkable young lady and how her path led her to NMA and then on to becoming an NMA Associate Director.

Amber writes, "I started out working on a degree in Musical Theatre and after several years of study, decided Musical Theatre was no longer the path I wanted to pursue and I began searching for something in the health field. It was there I discovered that our local Technical College (Southeast Technical Institute) had a program called Electroneurodiagnostic Technology. I couldn't even pronounce it but I was intrigued. After calling the school and getting more information, I decided this was the path I wanted to take. My son (Jaron) and I started on a new path. I was a full time student, and I also worked almost full time at a local retailer to help pay the bills. After six months in school I met the man that I was going to marry. He supported Jaron and me as I attended classes and did my clinical time working in a hospital. After graduation in 2011 with an Associate's Degree in Electroneurodiagnostic Technology, we moved to Bismarck, North Dakota, where I was offered a job as an EEG Technician. Over the next 3 years I studied very hard and took my board exams. My credentials are REEGT (Registered Electroencephalographic Technologist), REPT (Registered Evoked Potential Technologist), and RPSGT (Registered Polysomnographic Technologist).

"In 2014 my boss approached me about taking on more responsibility, which was an interest I had always had. I was promoted to Supervisor of Polysomnography. 2014 was a busy year for me! I got the promotion, I had my daughter (Quinn), and I joined Sanford Leadership Association. When I joined the association I had no clue it was going to be such a big part of my success, and it has become a passion of mine. After being an active member for a short time, I chaired the Professional Development Committee and took on Publications as well. After a year, I ran for President-Elect. I served as President-Elect for the 2016 term, President for the 2017 term, and I am currently Past President and Chair of the Board. Also in 2017 I was asked to be the Associate Director for our chapter which I humbly accepted. Also I continue to work with all of the committees and I still chair Publications/Marketing."

Need I say more? How right was that? She was asked to serve her chapter as an NMA Associate Director and she accepted without hesitation. Amber makes us all very proud to be a part of her successes. She has been and continues to do great things for her chapter and her fellow members she serve and NMA. Thank You, Amber, for your dedication and support of THE...NMA Leadership Development Association and we wish you much more success.
De Santis Family Endows Scholarship in Italian Studies

By Avis French
1995 NMA Member of the Year

Frank De Santis, co-founder of Harbor-UCLA Medical Center NMA chapter, recently donated a $55,000 gift to Chapman University Italian Studies. The endowment, the Frank and Eileen De Santis Family Endowed Scholarship in Italian Studies, specifically supports undergraduates who have demonstrated a need for financial assistance. Commendatore Frank De Santis has been a central figure in the promotion of Italian culture in Orange County and beyond. Three members of Frank’s family are alumni of Chapman University.

Frank has long been a supporter of the National Management Association and the Harbor-UCLA Medical Center NMA chapter. During his long career with the Harbor campus 1959-1997, he was instrumental in providing educational seminars and programs to individuals and to organizations. To meet the needs of the diverse activities of personnel employed on the Harbor campus, NMA was chosen as a way for employees to know each other and to work together and to integrate for their common mission – Patient Care.

To support the education of chapter members, the “Frank J. De Santis Management Achievement Award” was established to recognize individuals in the chapter who have contributed their management skills toward the betterment of the chapter. This award was presented for many years until 2017. To support the chapter’s financial mission, the “Frank J. De Santis Golf Tournament” was established as the only fundraiser the chapter utilizes for Professional Development. The tournament continues to run but was recently renamed the “Harbor-UCLA Medical Center Golf Tournament.” In recognition of his service, Frank was the recipient of the NMA Silver Knight of Leadership award and the Gold Knight of Leadership award.

As president of the Orange County Italian Cultural Arts Council, Frank helps to promote the image of Italy worldwide, particularly trying to include the young generation in that image.

The De Santis family scholarship endowment to Chapman University is just one more way in which Frank and his family promotes the well-being of the community.

Grow your Chapter Membership This Year

The 2018 Membership Campaign is underway. Chapters may select any two “Sale” months (of your choice) during 2018 in which the National New Member $20 Registration Fee is reduced to $10 per new member. No special forms are required, simply indicate “Sale Month” on the Chapter Dues Worksheet.

Contact Robin Furlong with Membership Campaign questions robin@nma1.org or call 937-294-0421
Welcome NEW NMA Members!

NMA Membership Growth Campaign 2018-2019

"EACH ONE REACH ONE, LOSE NONE!"
Wendell M Pichon, CM
2005 NMA Chairman of the Board
AS&D Committee Co-Chair

On July 1, 2018, NMA kicked off its Annual Membership Growth Campaign. We are well aware that we cannot achieve success without the outstanding dedication and support of each of our chapter members and your chapter leaders including this event as one of your chapter goals. This is a TEAM (T=Together; E=Everyone; A=Achieves; M=More) effort and the teams are made up of the Chapters in each of the NMA six geographic areas. We thank each of our chapter leaders and their membership committees in advance, for joining us in recognizing that extraordinary performance during this campaign will be the result of many peoples’ efforts and working as a team will reinforce our unique NMA “family” - that, “we are all in this together.”

I still sincerely believe, "When you join a professional organization PRICE is what you pay for your membership. VALUE is what we get by becoming a participant." Join us, as we move our organization forward!

"The strength of a TEAM is each individual member. The strength of each member is the TEAM." Phil Jackson

"Alone we can do so little, together we can do so much." Helen Keller

THANK YOU for your participation in the 2017-2018 Membership Growth Campaign!

The winning Area will be recognized at our 2018 Annual Conference in beautiful San Antonio, Texas, at our Recognition Luncheon on Friday, September 14!! Please plan to attend and help us thank those individuals who worked so hard to make this possible!!

NMA Reminders!!

NMA LIVE Online Webinars!
On the third Thursday of every month (except July which will be on the 4th Thursday) NMA hosts a LIVE Online Webinar. Many of our Chapters incorporate this into their Professional Development schedule by organizing a monthly “Lunch and Learn.” Most of our webinars are $25.00 per chapter (with multiple logins allowed) -- an affordable way to provide your chapter with some great leadership training!

NEXT Webinar: July 26, 2018 / 12pm and 3pm EDT
“ Asking the Right Questions: How to Find the Answer You Need!”

Facilitator: Sharon Robertson
Boeing Rocket City Leadership Association
Huntsville, Alabama

NMA is seeking volunteers to facilitate LIVE Online Webinars in 2018 and 2019. If you’d like the opportunity to speak to a national audience of NMA members, email steve@nma1.org today.

Officer Updates!
Has your Chapter or Council had a change in Officers? If so, please complete the “Officer Update Form” which can be found on the NMA website under the “Chapters & Councils” menu or by going directly to https://nma1.org/officer-update/. We want to ensure our records are accurate and that we’re reaching everyone.
